### Gold and Platinum Challenges

During the first quarter, Gold Challenge participants had to earn 1,000 points during each week of the challenge, and Platinum Challenge participants were required to earn at least 2,500 points per week. Nikki Newman, Clerk III, from the Gurney Unit earned the most points among the agency's 113 Platinum Challengers, and Dianne Fuller, Program Supervisor III from Agribusiness, Land and Minerals was the point leader among 296 Gold Challenge participants. Due to the large increase in staff participation, complete lists of successful Gold and Platinum participants have been posted separately on the TDCJ website. ●
